

Parkside and The Regency continue to accommodate today's seniors needs...

Parkside
Quarterly

The newest Nintendo Wii is being used by our seniors at **Parkside at Westminster!** It appears that the Bowling Activity on the Wii is the most popular among our residents. In fact, there's a group of folks that "bowl" every Monday at 3 PM! Spring also has our Westminster residents looking forward to our casual picnics. Everyone brings a side dish and we provide the hot dogs, hamburgers and drinks! What a terrific way to socialize under a very relaxed and casual environment!

In our **Parkside at North East** community there's a bustle of activity and anticipation of warm weather as residents look forward to their strolls in the nearby park or to downtown shops. There are so many advantages of being located in the heart of quaint and lovely downtown North East!

The Regency at South Shore has been undergoing some wonderful changes! Our Bay Terrace Independent Dining Room has been remodeled and provides a relaxed yet elegant dining experience! Our meal plans offer a vast array of succulent choices all prepared under the supervision of our Director of Dining Services, Bernie Erickson.

In order to meet the ongoing needs of our assistant living residents, The Regency Suites is now offering a new program called **SUITES PLUS**. In addition to our already fantastic Assisted Living Program in the **Regency Suites**, this new program provides *additional* services to those folks requiring more assistance! We now offer: transfer assistance, incontinence care and assistance with transportation

within our community. These new services will enable our residents to continue to live life to the fullest in our lovely assisted living wing.

Please call The Regency and The Regency Suites (814-454-2222) to learn more about what we offer and how we can benefit you or your loved ones!
